Foundation Prayer Requests

We pray for the health, safety, and warmth of all of our participants during this winter weather. We pray over the staff who are running our Cold Weather Shelter, as well as, the staff who have been working to keep the Foundation open 24/7- to protect our participants from the cold.

We thank God that we have this facility to protect and warm our unsheltered neighbors.

We lift up a special prayer for a male participant who is suffering in health and mental struggle while waiting for housing. We also pray for our case management staff as they continue to provide housing and support to our participants.

We thank God, above all, for all we are able to do and the gifts we continue to receive!
